

ABDULLAH ABDUL WAHEED

Personal Information

- Date of Birth: October 27 1988
- Nationality: Pakistani
- Passport No: FR1073272
- Email address: awaheed@gtu.edu.tr, ab88cls@gmail.com
- Mobile No: +90 543 579 11 13
+92 346 265 68 06

Objective

Seeking a challenging position in an institution where I can use my skills for the betterment of health care system with diligence and, to gain experience of working with a team of professionals in a progressive and prosperous environment.

Academic Qualification

- 2016 – Continue PhD Enrollment in Molecular Biology & Genetics from Gebze Technical University.
- 2013- 2016: M.S Masters Graduate in Molecular Biology & Genetics from Gebze Technical University, (Cumulative GPA '3.21').
- 2008-2012: B.S Graduated in Medical Technology with major Clinical Laboratory Sciences from Dow University of Health Sciences, (Cumulative GPA '3.56').
- 2007: Intermediate (Pre-medical) Government College Formen Nazimabad Karachi, Pakistan.
- 2005: Matriculation (Science) White House Grammar School Karachi, Pakistan.

Working Experience

- (June- September 2012) House job as a medical technologist in Department of Molecular Pathology Dow Diagnostic Reference and Research Laboratory, Dow University of Health Sciences.
- (May-November 2010) Worked as a trainee technologist at Dr.Tahir Shamsi's Lab (Imam Diagnostics), North Nazimabad. Karachi, Pakistan.
- (March 2009- June 2010) Laboratory Assistant at National Hematology Centre & Blood Bank (A project of South Asian Association of Transfusion Medicine SAATM. Karachi, Pakistan.
- 2009, 2010 and 2011 Independent Monitor of Polio Surveillance Campaign under supervision of W.H.O in Karachi, Pakistan.
- 2010, 2011 & 2012 Regional Coordinator of Pakistan Medical Student's Research Society (PMSRS).
- (November 2016- May 2017) Call Center Representative (Customer Care Service) at BEYTTURK Construction Company.
- (June 2017 – Present) Overseas Sales Specialist at Anatolia Geneworks and Product Country Manager at Euronano Diagnostics PVT LTD (Sister company of Anatolia Geneworks)

Internships

- Laboratory trainee at Abbasi Shaheed Hospital Karachi. (December 2008).
- Laboratory assistant at National Hematology Centre and Blood Bank Karachi. (April 2009).
- Laboratory assistant at Dow Diagnostic Reference Research Laboratory Karachi. (December 2009).
- Laboratory assistant at Ojha institute of Chest diseases Karachi. (April 2010).
- Laboratory assistant at National Kidney Centre, Karachi. (December 2010).
- Laboratory assistant at Memon Medical Institute Karachi. (April 2011).
- Laboratory assistant at Dow Diagnostic Reference Research Laboratory Karachi. (December 2011). (During training was rotated in Molecular Pathology, Blood Bank, Clinical Chemistry, Hematology, Histopathology, Microbiology and Phlebotomy).

Research Work:

B.S Final Year Research Project:

- “Different Human Biological Fluids analysis for the **Extended Spectrum of Beta Lactamase** producing organisms for **Infection Management**” in collaboration with Abbasi Shaheed Hospital and Karachi Medical and Dental College, Karachi, Pakistan (under the supervision of **Dr. Naz Jameel** and **Dr. Masroor Afreedi**).

M.S Thesis Title:

- “Beta1 Tubulin Protein (**TUBB1**) mutation analysis causing **Macrothrombocytopenia in Turkey and its Population**” in collaboration with Gebze Technical University Department of Molecular Biology & Genetics, Kocaeli, Turkey (under the supervision of **Doç. Dr. Ayten Kandilci** and **Yrd. Doç. Dr. Didem Torun Özkan**).

Technical Skills

Expert user;

- Blood Banking.
 - Patient interaction
 - Public Dealing
 - Phlebotomy (Through vacutainer and syringe)
 - Blood Grouping (Tube and tile method)
 - Cross-matching (Conventional and gel technique)
 - Components separation
 - Quality control
 - Marketing
- Genetics & Molecular Biology.
 - DNA& RNA extraction from different biological samples
 - Real Time PCR, PCR, RT-PCR
 - COBAS® AMPLI-PREP
 - COBAS® AMPLI-COR Analyze
 - ABBOT M2000SP
 - QIAGEN
 - MAGREV24 (Manual Nuclie Acid Extraction)
 - Magnesia 16
 - Magnesia 2448
 - Montania 4896
 - Gel Electrophoresis
 - Primer Designing
- Basic Clinical Pathology Laboratory Skills.
 - Basic hands on training in the departments of Histopathology, Hematology, Microbiology, Biochemistry and Parasitology.
- Company Registration, Incorporation in Pakistan
 - Registration at Securities and Exchange Commission of Pakistan (SECP), National Tax Number, Sales Tax Number, Chamber of Commerce Certification, Import/Export License.

Participation in Conferences, Seminars and Workshops

- International Infection Control Symposium on Best Infection Control Practices held on 19th April 2008 at Aga Khan University Hospital Karachi, Pakistan.

- Infection Control workshop as part of the International Symposium on Tropical Medicine and hygiene held on 9th November 2008 at Aga Khan University Hospital Karachi, Pakistan.
- Hematology Conference and Scientific Exhibition held on 15th-18th October 2009 at Expo Centre arranged by National Institute of Blood Diseases and Bone Marrow Transplantation Karachi, Pakistan.
- Update on Infectious Diseases for the Practicing Clinician organized by the Infectious Diseases Society of Pakistan on 18th – 23rd October 2010
- Thirteen National Conference and Scientific Exhibition of Pakistan Society of Hematology held on 13th15th January 2011 at Expo Centre Karachi, Pakistan.
- Workshop on “How to write a winning scientific research proposal” held on 24th September 2011 organized by L.E.J National Science Information Centre Karachi University under the V.E.P.P and H.E.C Karachi, Pakistan.
- 15th National Health Sciences Research Symposium Social and Economic Determinants of Health October 31st – November 1st, 2011 held at Aga Khan University Hospital Karachi, Pakistan.
- Continuing Medical Education Seminar on Diagnostic Tool for Different Cancer held on 12th April 2012 at Dr. Essa Laboratory Karachi, Pakistan.
- Workshop on S.P.S.S held on 8th May 2012 at Bahria University Karachi, Pakistan.
- 1st National Conference for Paramedics held on 19th February 2012 at Hotel Sheraton Karachi.
- Biosafety & Laminar Flow Cabinets Technology held on 07 Jan 2012, at Department of Molecular Pathology, Dow University of Health Sciences Karachi, Pakistan.
- Advancing Cancer Care – Head & Neck Meeting by Shaukat Khanum Memorial Cancer Hospital and Research Center held on April 7th, 2012 at Marriott Hotel Karachi.
- Workshop on “Animal Handling” 18th June – 23rd June 2012 at Department of Molecular Pathology, Dow University of Health Sciences Karachi, Pakistan.
- Workshop on “Cancer and Apoptosis” held on 16th July-01st August 2012 at Department of Molecular Pathology Dow University of Health Sciences Karachi, Pakistan.
- One-day workshop on SPSS in the “Third Symposium 2013” held on 26-27th April 2013 at Bahria University Medical and Dental College Karachi, Pakistan.
- Workshop on Confocal Microscopy in the 22nd National(Electron) Microscopy Congress EML 2015, Organized by Sabanci University, Istanbul, Turkey, from 1st September 2015.
- 4th International Congress of the Molecular Biology Association of Turkey held at METU, Ankara, Turkey on November 27- 29, 2015.
- VIB Conference Series “Genome Engineering and Synthetic Biology: Tools and Technologies” held on 28-29 JANUARY 2016, GHENT, BELGIUM.
- 24th Biennial International Congress on Thrombosis to be held in Istanbul, Turkey on May 4-7, 2016.
- Hands-on training workshop on Biosafety and Biosecurity organized by Dow Center of Excellence (COE), Dow University of Health Sciences, in collaboration with Health Security Partners (USA) at Ojha Campus on Sept 8, 2016.
- **MEDLAB** Dubai International Convention and Exhibition Center, Dubai, UAE on 5-8 FEBRUARY 2018.

Language Skills

Indicate competence on a scale of 1 to 5 (1 – excellent; 5 – basic)

- Mother tongue: Urdu
- English (Reading: 5) (Writing: 5) (Speaking: 5)
- Turkish (Reading: 4) (Writing: 3) (Speaking: 4)

International Language Test

- Appeared in Ankara University **TOMER** Turkish Language Diploma **C1** Level.

Other skills: (e.g. Computer literacy, etc.)

- Good Computer Literacy, (Basic software's, MS Word, Excel, power Point, SPSS, MATLAB)
- Excellent Command over written, spoken and Listening English
- Excellent Reporting Writing Skills
- Critical and Analytical Thinking, Knowledge Management Exercises, Graphical Presentations in Training, Video Making and Demonstrations, Evaluations, Problem Solving, Multicultural tolerance and knowledge, Team Management, Conflict Handling and Change Management.

Interests

- Attending seminars and workshops
- Viewing and listening animated lectures
- Teaching to increase my knowledge
- Taking part in more research
- Music, Photography, Current affairs.

Sports, Volunteer work and Recreation Activities

- (2009) Arranging Voluntary Blood Donation camp and thalassemia awareness at Dow Institute of Medical Technology, Dow University of Health Sciences Karachi, Pakistan.
- (2010) Humanitarian services rendered during the "DUHS Flood Relief Volunteer Program" Organized by Dow University of Health Sciences.
- (2009, 2010, 2011) Participant & winner of the university Tug of war and Skit competitions.
- (2009, 2010, 2012) Involved in Singing, acting, directing of University Singing and Skits Competition.
- Marmara University 7th Biology Photograph Competition 11- 15 May 2015.
- Labs are Vital International Photograph Competition 2014, winner.

Publications:

- The Impact of **Extended Spectrum Beta Lactamase** producing organisms on the Management of Infection. 1 Naz Jameel, **2Abdullah Abdul Waheed**, 2Ali Raza, 2Anaas Kasar. The Scientific Journal, Annals of Abbasi Shaheed Hospital and Karachi Medical & Dental College.

Posters Proceedings:

- Z. Onur Çalışkaner, **Abdullah Abdul Waheed**, Emrah Özcan, Tunahan Çakır. **Bioinformatics Analysis** of Parkinson's disease, Huntington's disease and Multiple Sclerosis to Reveal Disease-Specific Metabolic Patterns. 3rd International Congress of the Molecular Biology Association of Turkey (MolBioKon2014). Izmir / TURKEY. 10-12/09/2014.
- Didem Torun Özkan, ***Abdullah Abdul Waheed***, Ayten Kandilci, Nejat Akar. First ever dual mutation detection in a **Macrothrombocytopenia** gene family of MYH9 and Tubb1. 41st National Hematology Congress", held October 21-24, 2015 in Antalya, Turkey.
- Didem Torun Özkan, ***Abdullah Abdul Waheed***, Ayten Kandilci, Nejat Akar. First observation of **TUBB1** mutation in Turkish patients with Macrothrombocytopenia. 24th International Congress on Thrombosis to be held in Istanbul, Turkey on May 4-7, 2016.

Academic Attainments:

- 2012 – 2013 Turkish Government Scholarship for Turkish Language Diploma Course TOMER.

- 2013 – 2016 Turkish Government Scholarship for Masters in Molecular Biology & Genetics.
- 2015- Best poster award in the field of Clinical Laboratory Hematology by Turkish Society of Hematology at 41st National Hematology Congress”, held October 21-24, 2015 in Antalya, Turkey.
- 2016 – EMLTD Best poster presentation award at 24th International Congress on Thrombosis to be held in Istanbul, Turkey on May 4-7, 2016.
