WORK/LEADERSHIP EXPERIENCE

Summer Intern, Green Iowa AmeriCorps Sustainable Schools Program May 2020 – August 2020

- Developed and implemented several projects to decrease the negative environmental impact of Van Meter Community School District by planting 3 pollinator gardens, constructing 4 greenhouses, and removing invasive plant species from over 20 acres of land in order to allow ecosystems to thrive.
- Taught over 100 elementary students environmental stewardship skills through a virtual setting, providing interactive learning opportunities, sustainability videos, and entertaining educational activities.
- Assisted 3 elderly couples and 2 disabled families by performing various forms of yard work.

Front Desk Receptionist, The Athletic Club, West Des Moines January 2020 – August 2020

- Worked with over 400 customers daily, interacting with them both over the phone and face-to-face in a professional manner, gaining an immense amount of customer service experience.
- Responsible for ~\$500 cash, correctly counting, documenting, and depositing money during each shift.
- Helped sustain an organized, productive, and rewarding work atmosphere for all employees.

Aquatic Center Head Lifeguard, Adel Family Aquatic Center, City of Adel May 2017 – August 2018

- Assisted in all aquatic center daily operations, mentoring 43 lifeguards while promoting a safe, positive work environment while working 50+ hours per week.
- Instructed weekly swim lessons for 60 children ages 4-13, teaching basic swim strokes, diving, and water safety practices.
- Drafted monthly master work schedule for lifeguards & pool, supervised lap swim, and aided in maintenance of pool chemical levels.

COLLEGIATE ACTIVITIES
